Total: Best 3 out of 4 scores:			12 239.14	16 240.51			28	

The BMO Nations' Cup competition qualifies the 'Masters' as an officially sanctioned CSIO Tournament. The Nations' Cup is the only competition in which nations are represented by selected teams. Teams from each nation may consist of three or four riders and a Chef d'Equipe. Each member of each team will jump one round over a course of 12 obstacles with jumps from 1.30 m to 1.60 m (4'3" to 5'3") in height, with spreads from 1.50 m to 2.0m (4'11" to 6'7") (except for the triple bar). The best six teams from the first round will start in the second round. In case of equality of penalties for 6th place, the times of the best 3 riders on each team concerned will be the deciding factor. The penalties incurred by the three best competitors of each team in the first round are added to the penalties incurred by the three best competitors in the second round. In addition, those teams who are tied with penalties for any place, either after the first or second round, will be placed equal. In the event of equality of points for first place ONLY, there will be a jump-off with one rider per team participating (selected by the Chef d'Equipe).

Order of Go: The starting order of the teams in the second round will be in the reverse order of penalties incurred by the best three riders in each team in the first rounds. The competitors on each team to start in the same order as the first round.
